

Fearless – Jasmine Murray

I wake up, I feel it
Those fears are back again
Can't shake 'em, can't make 'em
Ever fade, ever end

Am I good enough?
Do I measure up?
Feels like a, war I can't win

But I wasn't given the spirit of fear
I was given the power of love
Everything I've been fighting against
I'm gonna lift it up

I wanna be fearless!
No holding back, no backing down
Fearless!
Because I believe, You're with me now

Bring on the unknown
Lead me and I'll go
Come set me free
God, I want to be

Fearless! (I-I, want to be)
Fearless! (I-I, want to be)

These mountains, these giants
Will fall at a single Word
In Your Name, in Your strength
I'm more than a conqueror

I wasn't given the spirit of fear (no-no)
I was given the power of love (the power of love)
Everything I've been fighting against
I'm gonna lift it up

I wanna be fearless!
No holding back, no backing down
Fearless!
Because I believe, You're with me now

Bring on the unknown
Lead me and I'll go
Come set me free

God, I want to be

Fearless! (I-I, want to be)

Fearless! (I-I, want to be)

I won't be afraid

I won't be afraid!

I'll call on Your Name

I'll walk out in faith!

I won't be afraid (no)

I won't be afraid!

I'll call on Your Name (I'm calling on Your Name)

And I'll walk out in faith (oh-ohhhh!..)

I won't be afraid (I won't be afraid)

I won't be afraid (ohh oh-ohh..)

I'll call on Your Name

And I'll walk out in ... faith!..

Fai-ai-ai-ai-th!!!

I'm gonna be fearless! (fearless!)

No holding back, no backing down

Fearless! (fearless!)

Because I believe, You're with me now

Bring on the unknown (bring it on)

Lead me and I'll go

You set me free (You set me free)

God, I'm gonna be (oh I'm gonna be...)

Fearless! (I-I, want to be)

Fearless! (I-I, want to be)

I'm gonna be fearless (I-I, want to be)

Fearless!..
